

CONNECTING TO CARE WORKFORCE DEVELOPMENT LOGIC MODEL (LAST UPDATED 4/8/2022)

Vision: Ensure youth & families provide leadership in the care, delivery, oversight of their own & system services in partnership with providers & stakeholders.

Goal: Train, support & mentor youth and family to provide leadership in the care, delivery & oversight of their own & the system services in partnership with providers & stakeholders.

CONTEXT	ACTIVITIES	OUTPUTS	OUTCOMES
<p>Connecticut's existing fragmented service array, limited provider knowledge and collaboration & lacking family and youth involvement provides an opportunity to train families as full partners and strengthen the system of services. Training is needed for providers and other stakeholders who interact with families -- including educators, office staff, police & security staff and state agency staff & leadership -- to enhance their awareness and skills in listening to families and interacting with families in a way that is respectful and responsive.</p>	<p>Family & Youth Workforce Development</p> <p>Enhance the FAVOR Learning & Leadership Academy to offer sustainable family leadership development, mentorship and support</p> <p>Develop curriculum & training materials including integration of best practice models</p> <p>Train & certify youth & family trainers</p> <p>Train & mentor youth, young adults & family/caregivers to be full participants in the Network of Care</p> <p>Develop a Family Peer Support (FPS) Certification Process</p>	<p>Family & Youth Engagement/Workforce Development</p> <p># family trainers certified to provide NOC-AOC training</p> <p># of trainer support calls offered</p> <p>#/type of training curriculums/manuals developed</p> <p>#/type of supporting training materials developed</p> <p># of family/caregivers & youth involved in the FAVOR Learning & Leadership Academy by type of training</p> <p># of youth, young adults & family/caregivers contacted to participate in L&L Academy</p> <p># of FEAT teams in CT</p> <p>Family Peer Support Certification process is developed</p> <p>#/type of Family Peer Support Trainings offered per year</p>	<p>Short-term</p> <p>Increased number of family members trained</p> <p>Increased number of youth trained</p> <p>Increased number of providers & stakeholders trained</p> <p>Intermediate</p> <p>Increased participant knowledge of training content</p> <p>Increase in family & youth participation in the Favor Learning & Leadership Academy</p> <p>Increased number of providers & other stakeholders trained in wraparound principles</p> <p>Increased number of providers & other stakeholders trained in Network of Care principles & strategies</p>
